

Homework Tasks (Year 5):

- **GPS:** Please read 'Demeter' on pg.2 of this file then answer – and mark – the 'Word' and 'Sentence' questions on pg. 3 and 4. Answers can be found on pg.5. Please use these to help work out how to answer any questions you are unsure about. Your responses should be recorded in your Homework Jotter provided by school.
- **Maths:** Please complete – and mark – 'Equivalent Fractions' on pg.6 of this file. Answers can be found on pg.7. Please use these to help work out how to answer any questions you are unsure about. Your responses should be recorded in your Homework Book provided by school.

***Please ensure your completed homework is handed in at school on
Wednesday 10th January.***

- **Multiplication Facts:** A test of a variety of multiplication facts will take place every **Thursday**. Please practise all facts up to 12 x 12.
- **Reading:** You are expected to do **at least 20 minutes** of independent reading at home, **every day**. *Please remember to log all new books read – both those at home and at school – in our class reading log as there are no home reading records in Woodpecker Class:*

Demeter

Demeter is one of the more obscure goddesses of Greek mythology, but she played an important role in one of its most famous tales.

She was the daughter of Rhea and Cronus and sister to both Zeus and Hades. The ancient myths say that Demeter and all of her siblings, except for Zeus, were swallowed by their father while they were children. Zeus had to rescue them all! Not a great start to life!

Together with Zeus, she had a daughter named Persephone.

Persephone was famously tricked by Hades into living in the Underworld with him. Demeter was furious at this and teamed up with Zeus to get her daughter back. Unfortunately, Persephone had already eaten food in the Underworld, which meant that she was bound to stay there forever.

A deal was struck and Persephone was allowed to return home for half the year. Demeter was the goddess of growth and the harvest, and her sadness forced everything to stop growing whenever her daughter returned to Hades. It was this that the Greeks believed caused winter, and that spring was the time when Persephone returned and Demeter allowed things to grow again.

Homework/Extension Equivalent Fractions

Expected

4. A, B, D and E

5. A. $\frac{4}{6} = \frac{8}{12} = \frac{12}{18} = \frac{16}{24}$ B. $\frac{3}{8} = \frac{6}{16} = \frac{9}{24} = \frac{12}{32}$

6. Jasmin has shaded 2 squares instead of 2 columns. She has shaded 2 out of 20 squares which is not equivalent to $\frac{2}{5}$. She needed to shade 8 out of 20 squares which is equivalent to $\frac{2}{5}$.
