

Kingfisher Class News and Homework

To be handed in on Wednesday 21st September

Maths: This week we have been completing our start of year assessments in maths and continuing strengthening our understanding of place value.

English: We have been building an opening to a disaster story 'Flood' using FANTASTICS and BOOMTASTICS. We have really enjoyed describing the scene and have managed to create some amazing sentences.

"As the storm bellowed across the sky, the house shivered nervously."

Topic: We have been locating rainforests around the world using an Atlas. We discovered that rainforests generally are located near to the equator between the tropics of Cancer and Capricorn. A have also begun looking at the structure of a rainforest and some of the plants and animals we would find within the forest.

Roald Dahl Day: As it was Roald Dahl's 100th Birthday on Tuesday we took part in a 'virtually live' party celebrating his birthday with other schools and libraries around the world. We had a go at sketching with Quentin Blake and taking part in a Roald Dahl quiz.

Homework Task:

Year 3 - Comprehension book p2-3 (Harriet's Hare) and GPS book p46-47 (commas in lists)

Year 4 - Comprehension book p2-3 (Choosing a bike) and GPS book p42-43 (Commas in lists)

Your times tables to learn this week are: **X** ready for a test on Friday.
