

Homework Tasks (Year 4):

Creative homework:

Our topic this term is World War 2 and we have started looking at what precautions had to be taken by people to protect themselves from the threat of invasion; in particular, from air raids. Design an air raid shelter that could be used by your family and what special items you might like to take with you. Remember to think of the features that it would need, i.e. strong roof, camouflage from air, electricity, heating, etc.
