# Harry Drinkwater's Diary

1. **E.g.** Because of the rain.
2. **E.g.** Because muddy water drips from the roof onto the sack containing their food.
3. **E.g.** Frantic. They worked frantically and as fast as they could to try to get the job done.
4. **E.g.** He's so tired because they're working hard with very little sleep.
5. **E.g.** Because the food's transport got lost and didn't arrive.
6. **E.g.** He was very tired and needed help from others to stand up. He tried to keep moving, but he collapsed with exhaustion.
7. **E.g.** Because it must have been unpleasant being underground and having to working in stuffy conditions. It would have been dark and cramped, and the work would have been dangerous, tiring and difficult.
