

Owl Class News and Homework: w/c 28.11.16

To be handed in on: 07.12.16

Maths: We have been learning to order numbers independently to 20 and write them as words. Reception children have been practicing number bonds to 10 and some to 20!

English: We have been learning the nativity story this week; in RE we sequenced the story and wrote sentences to describe each event. We have also been building sentences using picture clues and learning to write capital letters correctly. We have started to look at the way in which letters are written, and have had a go at writing one of our own

Other: It's been a busy week of Nativity rehearsals again, we have been learning all of the songs and actions for our performance. We have also been finishing our bazaar crafts which have included lots of fine motor skills like sewing and threading, painting tiny wooden decorations and Owl porcelain tea light holders - delicate work for these Owly Elves!

Homework Task

YEAR 1 In your purple homework book, choose a member of your family, and write them a letter to let them know your news. You can use your imagination and make up an event to write about. *For example, you could pretend that you have had a day out at the beach. Write and tell your grandma or grandad what you have been doing at the beach* Please don't do a letter to Santa – we will be doing this in class, thanks!

RECEPTION No homework this week! 😊
