

Reception Phonic Sounds

Friday 27th September

These are the sounds and words your child has been learning this week;

'g' 'o' 'c' 'k'

You might like to see what sounds your child can remember. If they can't make the sound, can they point to it when an adult says it or remember the picture that goes with it? You could even help your child build some words.

- g-g-girl
- c-c-caterpillar
- o-o-orange
- k-k-kangaroo
