

Robin Class 1.12.16

Our recent learning...

Maths: We have been sharing out objects equally, and linking this to division.

Year 1 are beginning to write the matching division sentence when performing division with objects.

Year 2 are learning to record their methods when finding the answer to a division question, and are writing the correct division sentence to match the task.

Literacy: We have started to look at the way in which letters are written, and have had a go at writing one of our own.

Topic: Colour and Light

We are continuing to rehearse for our Christmas Nativity play. We have also been busy this week making Christmas decorations to sell at the Christmas Bazaar on Friday.

Homework

Return to school on Wednesday 7th December 2016

In your purple homework book, choose a member of your family, and write them a letter to let them know your news.

You can use your imagination and make up an event to write about. (Remember to put your address and the date at the top.)

For example, you could pretend that you have had a day out at the beach. Write and tell your grandma or grandad what you have been doing at the beach.
