

Robin Class 3.11.16

Our recent learning...

Maths: We have been reminding ourselves of the properties and names of 2D shapes, and using this information to sort shapes.

Literacy: We have been reading a variety of text, and using it to answer comprehension questions.

Topic: Colour and Light

We have talked about what makes us feel warm and cold, and relating colours to warm and cold. We have used different coloured paper to make a bonfire collage. We have also talked about the sights and sounds of firework night, and have been reciting and performing poems to the rest of the class.
