

Sparrow Class News and Homework

To be handed in on Tuesday 16th December

Well we've had a very exciting week! We've definitely entered into the Christmas spirit with the bazaar on Friday, carol concert rehearsals and watching the KS1 nativity. Our best day this week was most definitely Wednesday for our end of topic Fantastic Food Final. The children prepared and cooked delicious dishes linked to our topic and served them to friends and parents. Thank you to so many of you for turning up and supporting your children's work, we really enjoyed the whole event and hope you did too.

We have also recapped and revised all our topic work by watching David Attenborough's brilliant Planet Earth episode on Mountains. It showed in detail the dramatic climates of the Himalayas, Rockies and Andes, snow leopards and red pandas in their natural habitat and lots more animals and wildlife. Yesterday, we learnt about the mysterious mountain monster know as the Yeti, and made clay footprints like the ones found in the snow.

Homework Tasks

This week's times tables to practice are:

TASK: To learn your words for the carol concert.

SPELLINGS: All of KS2 will be tested on 30 random spellings that they have been given since September.
