

# Sparrow Class News and Homework

## To be handed in on Wednesday 16th March

**Maths:** This week has been all about puzzles! We have been immersed with lots of different mathematical problems involving money, dice & cards and have used different strategies to solve them. Some of us found drawing pictures or making lists helped and others used systematic methods and tried to find patterns. We were very excited to get the answers right and enjoyed helping others.

**English:** We have been enjoying an animated Indian tale 'The Catch' from the literacy shed this week and practiced using our 'toolkits' to build extended sentences. This involves using our Grammaristics, Fantastic and Boomtastics to develop depth of writing and language. As a class, we've been focusing on using fronted adverbials to describe where, when or how something happens and build in speech, similes and alliteration.

### Here are some **AMAZING** examples:

Frantically, like a shot of lightning, the fox dashed through the thorny obstacles with the meagre fish crammed in his mouth. **Thomas**

Angrily, the brave boy bounded like a monkey up the crumbling ledges, to reach his target. **James Hackett**

Out of breath, the panting boy ran like a shot to get back his delicious catch of the day. **Mollie Woodgate**

**Topic:** In topic, we have been learning more about our case study villages. We used paper to create impressions of Pavarthi, the little boy from Chembakoli and of us. We will use these to show comparisons and differences of our home and school lives.

We also visited the Life Education bus and learnt all about the body, including healthy eating ensuring we have a healthy lifestyle.

### Homework Tasks

This week's times tables to practice are: 9's

RE Task – Can you retell part of the Eater story and include pictures.  
 This website is great to help jog your memory! <http://www.topmarks.co.uk/easter/easterstory.aspx>

Pupil feedback	Parent feedback	Teacher feedback

Please follow our school Twitter feed to view regular updates and photos of some of the activities Sparrow class do @ClipstonSchool.
