

Year 3 Homework Task (5.10.18):

Remember – we are in Key Stage 2 now, so the different homework content (and quantity) may take some getting used to!

- **Science:** This week's homework will be a space quiz (delivered as part of our work with the Ogden Trust for Science). Each child that completes the quiz will receive a small prize and an overall winner will be chosen at random (and receive a prize) from those with the most correct answers.
Please hand in your named quiz by Wednesday 10th October.
- **Spelling:** A spelling test, on the **Week 4: The 'uh' sound spelt out** list of words given (in the back), will take place next **Friday**.
- **Multiplication Facts:** A test on the 4 times tables will take place next **Tuesday** (the questions will be given in a random order).
Don't forget to use your TT Rockstars login to help with your practising (particularly Garage and Arena modes)!
- **Reading:** It is recommended that you read for 20 minutes a day. Reading books will be changed as and when you have finished them and read them (or part of them) to an adult – with the reading record book signed and handed in.

To view regular updates and photos of some of the activities we do, visit the school's Twitter page (you do not need to be a member or follow us to see these): www.twitter.com/ClipstonSchool
