

Homework Tasks (Woodpecker Class Year 6):

- **Creative:** This week we began our new topic, 'Dragonology' and took our oaths to become conscientious Dragonologists. Using what we have learned through examining specimens and reading our textbook, can you conduct research to discover whether any native dragons live in the wild near/around your home? Remember to take notes and sketches of your observations and findings – you can present these in a manner of your choosing!

Please hand in your completed homework by **Wednesday 5th February.**

- **Spelling:** A spelling test on **Week 4** list of words given, will take place next **Friday**.
- **Multiplication Facts:** A test of a variety of multiplication facts will take place every **Thursday**. Please practise all facts up to 12 x 12. A test of a variety of number bond facts will take place every **Tuesday**.
- **Reading:** You are expected to do **at least 1 hour** of independent reading at home, **every week**. *Please get a parent/carer to sign below to show that you have done this, as there are no home reading records in Woodpecker Class:*
