

British Values

At our school we promote British Values through a range of everyday situations e.g. Assembly, the Personal, Social, Health & Emotional (PSHE) curriculum, School and Eco Councils, Sports Crew Leaders and through Social, Moral, Spiritual and Cultural (SMSC) Development.

At our school, British Values encompass **Democracy**, **Tolerance of different faiths and beliefs**, **The Rule of Law**, **Individual Liberty** and **Mutual Respect**. Many of the aspects we promote come from current affairs, for example from the First News newspaper for children.
