British Values

At our school we promote British Values through a range of everyday situations e.g. Assembly, the Personal, Social, Health & Emotional (PSHE) curriculum, School and Eco Councils, Sports Crew Leaders and through Social, Moral, Spiritual and Cultural (SMSC) Development.

At our school, British Values encompass Democracy, Tolerance of different faiths and beliefs, The Rule of Law, Individual Liberty and Mutual Respect. Many of the aspects we promote come from current affairs, for example from the First News newspaper for children.
