<b>Impact of the support provided by Pupil Premium funding</b>	
<p>As a result of the interventions provided by pupil premium funding, pupils have made good progress and gaps in attainment narrowed. With such small numbers of pupil's eligible for the funding, some of whom have other complex problems; it can be problematic to describe impact in terms of percentages without identifying individual pupils. However, all pupils have benefitted academically and socially from the support provided. For most pupils, progress has been accelerated. The Assertive Mentoring and Numicon resources have had a positive impact on the teaching and learning of Maths across the whole school.</p>
