Carry Forward to the end of Summer Term 2019 = £262

Impact – What has been the benefit of the Sports Grant?

- The PE and Sports funding has contributed to the provision of high quality PE at Clipston School.
- A very wide range of sport experiences additional to the timetabled day are being offered.
- Participation Trackers show that many more children are accessing these opportunities.
- Participation in both competitive and non-competitive sport opportunities is high.
- Staff have been upskilled in the theory of Real PE .
- The school now has a dedicated member of staff to co-ordinate the sporting events.
- The lunch-time clubs have improved pupils' engagement in structured physical activity.
- Pupil Sports Crew Leaders are enthusiastic and children are developing leadership and organizational skills.
- Opportunities are provide to ensure that children are learning about how to be healthy.
- Children enthusiastically participate in cluster sporting competitions and events. This has had an impact on levels of self-confidence and self-esteem, which in turn contributes to improving levels of achievement across the curriculum. The school has achieved its Sainsbury's Silver Sports Award.
