**News:** Thank you for taking part in your child's Parent Consultations this week. It was a first for us conducting these by phone - thank you for keeping to your allotted time-slot. We are trying keep our annual traditions alive despite the restrictions. To this end, we hope you enjoy our Harvest Festival Video, released this week and available on our YouTube channel: <https://youtu.be/gTpBMY8IF64> and of course on Twitter @ClipstonSchool. Thank you to all the children for their contributions, to Miss Glascodine for putting the video together and of course to Rev. Miranda for the Blessing. You raised a wonderful £220 for Children United and nine enormous bags of donations have been collected for the Jubilee Foodbank in Market Harborough. Lots of cooperative learning has been happening in school over recent weeks. Robins have been busy partitioning 2-digit numbers, Owls have been investigating continents and oceans using atlases, Woodpeckers have been discussing rules in PSHE and Kingfishers have been making Sedimentary "rocks" and then applying heat and pressure to change them into Metamorphic Rocks. Well done, every one!
