<b>Wednesday</b>	Owl & Robin Class Library session Brass and Woodwind Lessons	
<b>Thursday</b>		
<b>Friday</b>	Year 3 & Year 4 French Lessons	

**News:** We were delighted to welcome Miss Courtney Griggs to our Clipston Staff Team this week. Miss Griggs will be supporting Mrs Smith and Mrs Glover in Woodpecker Class. This week in Assembly, we have been talking about the Autumn Equinox - the length of the days and nights and the Latin origin of the word derived from Equi and Nox. Today, all the children will be bringing home their Seesaw logins with their Homework packs and there is a covering letter and information sheet accompanying this newsletter, which will hopefully answer all your questions. Owl Class has enjoyed lots of practical activities to support their physical development, including making their own playdough! The Robins have been using atlases to research and locate the seas around the British Isles. In Science, Kingfishers have been exploring the properties of rocks and Woodpeckers have been testing the reversibility of different mixtures. Pictures of their exciting, practical Science lessons are on Twitter @ClipstonSchool.

**Notices and Reminders:** Please ensure that your child brings a coat every day. Unless it is absolutely pouring, the children will be outside at playtimes to ensure that we can meet our Covid-Safe procedures. As a reminder, please also note that classroom windows and doors remain open during the day as advised by the DfE, so if your child is wearing shorts or a summer dress, they may be chilly.
