Tuesday	KS1 Reading Volunteers in school NMPAT Music Lessons	
Wednesday	Owl & Robin Class Library session Brass and Woodwind Lessons	
Thursday		
Friday	Year 3 & Year 4 French Lessons	

Harvest Time

News: Thank you to everyone for keeping us informed of changes to their Covid status and for following the guidance with respect to self-isolation and self-distancing. As Covid cases rise across the country, we are pleased that last week we managed a period of 100% pupil attendance, which is great to see. We really appreciate everyone’s efforts in keeping our school community as safe as possible. We hope that all families are able to access Seesaw without any problems, for their weekly homework and also for learning tasks set by their teacher, should your child be absent from school but well enough to continue with their learning at home. If anyone has any difficulties accessing Seesaw, please get in touch with the school office. This week in assembly, we have been reading the book “It’s a no money day” by Kate Milner, all about a little girl who goes to the foodbank and the children have made thoughtful and empathetic contributions to discussions. We look forward to receiving your kind donations to the Jubilee Foodbank and Karisalpatti on Monday – thank you to those who have brought their donations in already.

Notices and Reminders: Please note that most Parent Consultation phone calls will be made from a phone with “No Caller ID” at the time you have booked your appointment.

The Deadline for Secondary School Applications is 5pm on 31st October 2020.

09/10/2020

Dear Parent/Guardian,

We understand many parents are looking for some guidance around trick or treating this Halloween with the current Covid-19 restrictions in place.

In line with the 'Rule of Six' legislation, people will NOT be able to hold Halloween parties and trick or treating is inadvisable therefore we have offered an alternative solution so that your children aren't missing out this year but are still able to remain safe.

An alternative approach suggested for parents draws on the rainbow challenge which proved so popular in the spring. People who wish to be involved in Halloween can display pumpkins or pictures of the vegetable in their windows in the run-up to October 31. Parents/guardians can then take a walk around their local area with their dressed-up children and try to spot them and for each pumpkin/decoration spotted, offer the child a treat in return.

There are a number of pumpkin posters for children to colour in and 'No Trick or Treating' signs which are both available to download and print from the Northamptonshire Police website.

We urge parents of older children to talk to them about why it's advised they don't take part in trick or treating this year and to respect a resident's decision if they choose not to take part. Anti-social behaviour is not acceptable and additional police patrols will be taking place during the Halloween period.

This advice is subject to change, should the guidance/legislation from Government change before October 31, 2020.

Kindest regards,

Daventry Rural Neighbourhood Policing Team
