News: These wonderful paper-plate doves have been made by the Robin Class children in the EYFS&KS1 Bubble. They look so bright and cheerful, and we look forward to seeing your contributions from home. Thank you to everyone who has been in touch this week. We do enjoy reading your feedback on Seesaw. If you have any direct questions, please email the school office, which is operating every day as usual, although staff may be working from home.

This week we loaned out laptops to children who have little or no access to a suitable device at home. If anyone else is struggling with this please do let us know. This means that if your child is only able to access Seesaw on a mobile phone, please tell us, as we may be able to loan you a laptop. Similarly, if siblings are sharing a device, please get in touch.

Recently in school, the Library walls that needed sprucing up after the main make-over in the summer have been freshened up with a coat of paint and the decoration of the single mobile has also been completed.

It was lovely to see so many happy faces on our Zoom calls this week – all the children have now had the opportunity to join a Zoom call and we will be arranging more next week.
