

Internet Safety Information for Parents and Carers

At our school we ensure that our children are taught the basic tips of Internet Safety in every year group.

For the younger children, we used a series of **ThinkUKnow** animations, called **Jessie and Friends**.

Older children are taught how to stay safe online using a variety of resources including the **ThinkUKnow Band Runner** animation adventures of Sam, Ellie and Alfie.

You can access the animations using the links below:
