

The Wise men rap

Of a special birth the wise men did hear

(bum cha, ba bum bum cha)

A brand new king that Herod did fear

(bum cha, ba bum bum cha)

Kill baby boys he did shout

(bum cha, ba bum bum cha)

A new king will not push me out

(bum cha, ba bum bum cha)

The wise men followed the brightest star

(bum cha, ba bum bum cha)

Day and night for it was far

(bum cha, ba bum bum cha)

When they arrived in Bethlehem

(bum cha, ba bum bum cha)

In the stable he waited just for them

(bum cha, ba bum bum cha)

The saviour that was going to be

(bum cha, ba bum bum cha)

A present from God to you and me

(bum cha, ba bum bum cha)

Special gifts they did behold

(bum cha, ba bum bum cha)

A bottle of myrrh, frankincense and gold

(bum cha, ba bum bum cha)

To save him from King Herod's plan

(bum cha, ba bum bum cha)

They sent him away to become a man

(bum cha, ba bum bum cha)

We celebrate his birth each year

(bum cha, ba bum bum cha)

Our Saviour's day with lots of cheer.
