

Robin Class Homework Tasks

Set: Friday 1st October

Due in on Thursday 7th October

Year 2: CGP Handwriting Page 7 & 8 – Use a pencil to form the letter shapes using your best handwriting.

Please keep your CGP Handwriting books in your book bag.

Reading: Please read for 5 – 10 minutes every day, (and also use the activities outlined in your child's Read-Write-Inc. Scheme Book, if they are on this scheme).

Please keep your Reading Books in your book bag.

Maths: This week we have been looking at fact families and using the inverse to check. Please write out 4 fact families for me. Remember for the subtraction sums you always need to start with the biggest number!

For example:

$$8 + 5 = 13$$

$$5 + 8 = 13$$

$$13 - 8 = 5$$

$$13 - 5 = 8$$

Please also design a poster about what an odd number is and what an even number is with some examples. Continue to also practise dividing by 5. Use objects to physically 'share' to find the answer.

For example:

$$\text{What is } 30 \div 5 =$$

$$\text{What is } 40 \div 5 =$$
