

## Robin Class Homework Tasks

Set: Friday 24th June

Due in on Thursday 30<sup>th</sup> June

**Year 2: Reading:** Please read for 5 - 10 minutes every day, (and also use the activities outlined in your child's Read-Write-Inc. Scheme Book, if they are on this scheme).

Please keep your Reading Books in your book bag.

Earlier this week I sent home 2 poems that the children will perform in school on July 8<sup>th</sup>.

One of the poems (Halfway down the stairs) they already knew from earlier this year but the other one (When Daddy fell into the pond) they do not, although we did start to practice this in school.

Learning this poem will be this weeks homework please.

Please complete some <https://www.topmarks.co.uk/maths-games/daily10> this week on any area you feel weak on (x2, x5, x10, doubling and halving or subtracting) if you have time and make a list of activities you completed for extra House Points.

Thank you for the continued support!

Mrs Nightingale
