

## Homework Tasks (Woodpecker Class):

- **Computing:** Internet safety is incredibly important to ensure we all stay safe online and become part of a responsible online community. We need to know how to recognise our concerns, who to report these concerns to and how to do this. With your parent(s)/carer(s), please read through the leaflet, watch the videos and explore the resources on the additional support websites. Perhaps you could quiz each other at the end?
- ***Please confirm completion via SeeSaw by Wednesday 20<sup>th</sup> October.***
- **Spelling:** A spelling test on **Week 6** list of words given, will take place next **Friday**.
- **Multiplication Facts:** A test of a variety of multiplication facts will take place every **Thursday**. Please practise all facts up to 12 x 12.
- **Reading:** You are expected to do **at least 20 minutes** of independent reading at home, **every day**. *Please get a parent/carer to sign below on SeeSaw that you have done this, as there are no home reading records in Woodpecker Class:*

*Signature:*.....

## Internet Safety Information for Parents and Carers

At our school we ensure that our children are taught the basic tips of Internet Safety in every year group.

For the younger children, we used a series of **ThinkUKnow** animations, called **Jessie and Friends**.

Older children are taught how to stay safe online using a variety of resources including the **ThinkUKnow Band Runner** animation adventures of Sam, Ellie and Alfie.

You can access the animations using the links below:
