Key Question

What would Jesus do?

Key Concepts

The Gospel	Texts that proclaim Jesus's good news; they offer accounts of Jesus's life, journeys and dealings with his disciples, followers and opponents.
Context	The Gospels were written in the context of that time meaning the text needs to be studied to understand their meaning; for this reason, Christians today can interpret biblical texts differently.
Features	The Gospels take many different forms including features such as teachings, parables and narrative accounts.
Religious Testimony	The Gospels were written by the Christian community and therefore are best described as religious testimony. This does not mean they are fiction, but neither are they objective historical accounts.
Christians today	Christians believe that they should bring this good news to life in the world in different ways within their church family, in their personal lives, with family, with their neighbours, in the local, national and global community.
