

Swimming at Clipston School

We provide the children in Key Stage 2 with free swimming lessons between the October half-term break and Easter. The sessions are divided between the classes, so each pupil will swim for between six to ten weeks per year. Whilst the swimming lessons, pool hire and lifeguard services are free, we do ask parents for a voluntary contribution towards the cost of the coach travel. The swimming lessons take place at Montsaye Pool.

In line with the Department for Education requirements, we assess the children on:

- Being able to swim at least 25m confidently.
- Being able to use a variety of different strokes.
- Being able to perform self-rescue in a range of different situations.
