News: It has been lovely to welcome all the staff and pupils back at the beginning of the new school year, and we offer a particularly warm welcome to new pupils who have joined the Clipston School Family this week. Everyone has quickly settled into the new school routines and even the rows of desks facing forwards in Robin, Kingfisher and Woodpecker classes doesn't seem to have fazed the children at all! The playground is filled with the sound of laughter and the children having fun. Having submitted our full Risk Assessment and class sizes to the LA's Health and Safety Team, we were delighted to receive such positive feedback regarding the processes we have in place to keep the school as safe as possible. This week's assemblies have focussed on "Being the Best You Can Be" with children making thoughtful and reflective points. Don't forget to look out for us on Twitter for regular updates as the term progresses: @ClipstonSchool

Notices and Reminders: Thank you to everyone for your support and the contribution you are making to keep our school safe. Please may we remind you that congregating in groups by the front of the school impacts on the flow of parents at the beginning and end of the school day, as well as bus egress. In addition, some parents have also contacted the school to articulate their concern in seeing people chatting in groups at the front of the school with little regard for social distancing. Thank you for being mindful of others when you are arriving and leaving at the beginning and end of the school day.

Water Bottles: Please ensure that your child brings a named water bottle to school every day. We do have cups available if your child forgets their water bottle, but for hygiene reasons at the moment, children should use their own, named water bottle, which can be re-filled if necessary. Thank you for your help with this.
