News: The children in Owl Class Bubble had a lovely treat this week, when this Year 3 pupil was encouraged by his Music Tutor Mr Britcliffe, to play to an audience. He has only been playing the cornet since the autumn and obviously, there has been some disruption to lesson during that time. To be able to play a well know tune in front of an audience is a remarkable achievement and brought tears to the eyes of several staff as well as joy to the children. **Well done! If any children are interested in having Brass or Woodwind lessons with Mr Britcliffe, please get in touch with the office.** In assemblies this week, KS2 have been discussing all the different ways in which we can keep ourselves safe, both at school, home and also when we are out and about, which is especially useful now that restrictions are lifting and hopefully some sunny weather will return. Children in Owl and Robin Class have been exploring another Book We Know Well. "Let's go home Little Bear" by Martin Waddell and Barbara Firth is a wonderful choice to support important vocabulary acquisition, as well as being a lovely story to listen to, set in a context that all children will be familiar with. The children thoroughly enjoy listening to stories!

**Clipston School Association
Spring Bubble Fete
Tuesday 25th May 2021**

On Tuesday 25th May the Clipston School Association will be holding our Spring Bubble Fete. Whilst we once again are unable to hold our usual Spring Fete that the children enjoy so much, we are hoping to recreate a little of the fun during school time and within their class bubbles. All children will take part and also enjoy a day of Non-Uniform!

Just like at the Christmas Bubble Bazaar, for a suggested **voluntary contribution of £5** your child will receive a Virtual Golden Ticket. This will give them: a delve into the lucky dip box, class games, traditional outdoor fete activities and challenges with prizes (weather permitting!), a yummy treat from the class cake stand, and the opportunity to make a beautiful spring-themed decoration or craft item to bring home.

All activities and treats will be available for all children and no additional spending money will be required on the day. This past year has been difficult for many in our school community and whilst we are of course keen to raise as much money as possible, our aim is to give every child a little taste of the fun traditions that they look forward to over the course of the school year. All the activities have been agreed with the school and adhere to current safety guidelines.

Any money raised will go towards supporting the school by providing fun, educational activities, experiences and resources for Clipston children to enjoy.

Thank you for your continued support as always.

**All children will take part in the Fete on 25th May and enjoy all of the activities.
If you would like to make a contribution please find the payment details below:**
