News: Thank you to everyone who contributed to our Children In Need collection and The Royal British Legion Poppy Appeal, which raised £85.20 and £107.87 respectively. Supporting charities reflects our Christian Virtue of Justice and we encourage children to think about social justice by considering wider national and international communities around the world. This term we have also supported our link school in Karisalpatti, India and closer to home, the Jubilee Food Bank in Market Harborough. Our elected School Council and House Captains (pictured above) play an important role in deciding which other charities we support during the rest of the year, and in how we can continue to improve the school environment for the benefit of all the children at Clipston. The biggest highlight this week was Mrs Prasad's visit. As a Hindu, Mrs Prasad has supported the children's learning about Hinduism, through an immersive day of Hindu Workshops. As a small, rural school, we are delighted to be able to bring experiences such as these to the children in order to broaden their cultural understanding and interaction. This week, we have also welcomed Miss Hollie Coote to the Staff Team as an additional TA in Kingfisher Class and as a Lunchtime Supervisor. Mrs Wright is currently absent from school, but will return in December, when she has completed her Jury Service.
