News: In assembly this week, we have been discussing the discovery earlier this month of Earnest Shackleton’s ship “Endurance” 107 years after it became trapped in the ice and was finally crushed into submission, sinking to a depth of three kilometres under the Weddell Sea in Antarctica. The story has captured the imagination of many children and they were fascinated by accounts of the crew’s survival and eventual rescue. The Life Education sessions were eagerly anticipated, and all the children enjoyed their annual visit. We are very grateful to the School Association for generously subsidising the cost of this important aspect of our Personal, Social, Health and Relationships curriculum. It was lovely to welcome many parents into school for the first face-to-face Parent Consultations since 2019! Thank you to everyone who took the time to discuss their child’s progress. Mme Warnes has delivered trial sessions for Year 1 and 2 pupils and you will receive further information on how to join KS1 French Club via your child’s book-bag today. Well done to everyone who took part in the KS1 Superhero Sports Festival yesterday - a super time was had by all! The School & Eco Council’s Cake Bake today in aid of Red Nose Day has been a huge success. Thank you all for your generosity – it was lovely to see the children’s excitement at seeing the huge array of delicious cakes!

To all school pupils, parents, grandparents or guardians.

Would you like to help build a wildlife pond in Haddon Fields ?
Please come along to the Field Centre on Sunday 20th March,
from 11 am and join our working party to help create a pond!

Jules Howard will lead the activities on the day, and all the materials
required to make the pond will be there ready for us. All you need to bring
is a spade for digging and a bucket - to help to fill the pond up!

Any questions please ask Kevin White (07449945787) Or Stephen Woodgate
(07909 535966)
