News: It has been another busy week, and as we approach the middle of the academic year and review how things are going, it's been lovely to see the children really starting to made huge strides with their learning. In Owl Class, it was a real treat to talk to the children enthusiastically articulating their learning about plants during their Science lessons. They are learning to name the parts of a plant and to explain, speaking clearly, how they help the plant grow. Brilliant work! The learning outside of the classroom is just as important in developing the "whole child". With this in mind, feedback from our peripatetic Music staff was particularly uplifting and this Year 4 pupil, among others, has made super progress with his piano playing this term. Well done! As a Staff Team, we are delighted to be able to work with other schools, sharing ideas and supporting each other. As founder members of the Small School's Alliance, next week we have two meetings at which we will be meeting colleagues from other small schools, to share our Curriculum Development Journey. Mrs Smith will also be meeting with other teachers as a County Writing Moderator. *#ProudToBeClipston*
