**News:** We had a very special visit recently from several ex-members of staff and friends of the school. Mr Hawkins was Head Teacher at Clipston for over 25 years – and I am sure that many of you will recognise others in this photo too. Their visit brought back so many lovely memories and

everyone was very complimentary about how the school is looking, the displays of work and how it is held in such high regard by the wider community. This week, Governors were “wowed” by the confidence and enthusiasm of children they met during their monitoring visit. We have also been visited by the LA Moderators who were extremely impressed by the Year 2 children’s work, and the super progress they have made this year. These two pupils in particular have made incredible progress with their reading. The Year 4 children completed their compulsory online Multiplication Check today, having worked hard to be able to recall swiftly all their Tables up to 12x12 – very well done! And finally, we have recently welcomed two Ukrainian families to Clipston – doing what we do best – supporting all children through the ups and downs of life, enabling them learn to the best of their ability and in knowing how to be kind, compassionate and resilient. Many thanks to the School Association for the ice-lollies – much welcomed and a refreshing end to a very warm week!
