**News:** In Assembly this week, our focus has been on the World Cup, considering the question “What can football teach us about the wider world?” We considered many of the controversial issues in hosting the Men’s FIFA World Cup in Qatar, whilst also thinking about how the event can bring a sense of excitement, hope and together-ness across the world. Our Local Authority Early Years Advisor and Diocesan visitors were extremely complimentary about the school during their visits this week. Early Years provision is so good at Clipston that the LA won’t be visiting again! Mr Grindrod from the Diocese was treated to a super dance performance from Woodpeckers. Linked to their World War I topic, the children expressed various elements (marching, gunfire, trenches, patriotism, poppies) very poignantly through the medium of dance. Also pictured are the winners of the Science Quiz – very well done! And finally, in assembly today we said goodbye to Mrs Price, who is retiring after 18 years at Clipston School. I am sure you will join me, the staff and governors in wishing her a long and happy retirement.
